

# EBSCO Search Interface on Mobile Devices

Tabs for expanding the side columns appear when at the top of each screen - both in the list of references (left) and within an individual citation (below).

From the top of a results list, expanding the left-hand column will allow you to narrow your search through facets such as publication date and source type.

[Find Similar Results](#)  
using SmartText Searching.

Andrea M.<sup>1</sup>  
andrea.wright2630@furman.edu

**Source:** [Journal of Librarianship & Scholarly Communication](#). 2013, Vol. 2 Issue 1, p1-9. 10p.

From within a single citation, expanding the left column will give you the full text options for the source.

From either area, expanding the right-hand box will give you options for printing, emailing, etc.
